Good Afternoon:

How is everyone? As you know, we have been shipping out the excavated soil from the GNBC Office Area and Area 5 (Northwest side of the property).

I wanted to give you an update on GNBC Office Area Rebuild. The plans have been approved by the City of Niagara Falls. Next step is awarding the subcontract to the construction company. Below is the timeline for that process. Yesterday, the walk through was conducted. I will keep you all posted with any updates.
Thanks
